Le Cap d'Agde, the top Cape resort!

Cap d'Agde is a capital destination for those looking for a Mediterranean seaside resort.

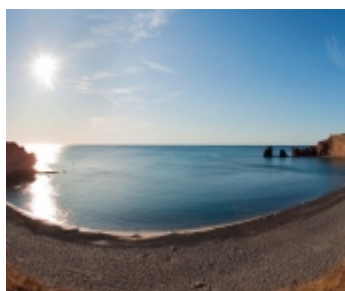

With its volcanic origins, it has the true spirit of the South, being both modern and drenched in history, but always with a very natural feel.

From Cap d'Agde to La Tamarissière, 14 fine sand beaches line the Mediterranean coast.

They offer a great diversity of landscapes and activities under a clear blue sky, since our climate has no less than 267 days of sun per year!

Unspoilt or equipped beaches, volcanic cliffs and cliff-lined coves, pine forests and dunes.

Farniente, underwater swimming, aquatic and nautical activities, beach game: multiply your free-time on the beach!

Location : On the outskirts, Pays de Thau
