Capital of the Languedoc-Roussillon region, less than 3 hours from Barcelona and Italy and just 11 km from the Mediterranean Sea, Montpellier is the ideal place to discover a high-spirited city and some of the most prestigious world heritage sites.

A unique example of intelligent city planning in Europe, built by the world's leading architects, Montpellier is a destination that is also rich with 1,000 years of history. Here you'll find over 70 fabulous interior courtyards in private mansions dating from the 16th to 20th centuries, the oldest still-operating medical school in the western world, medieval streets lined with boutiques of all kinds, where top international brands mingle with small boutiques that exude the charm of yesteryear.
