The C.A.N.A.L company offers you another way to enjoy the sun - the gentle, on-board rhythm of one of its barge, 'Largon'. At each stop, a new sight awaits you - Languedoc's fine civil engineering structures, museums, exceptional sites of cultural and historical interest, and the beautiful countryside itself. Cruises are ideal for groups, school trips, summer camps, seminars, experience with friends or just for voyages of discovery, with a variety of programmes to make your mouth water!
