Discover The Restaurant of the 3-star Campanile Montpellier Est Le Millénaire hotel, the atmosphere of which in clean lines was imagined by the designer Patrick Jouin. With a pleasant room of 110 places as well as a shaded terrace of 40 places, it offers you the possibility to have breakfast, lunch or dinner. It suggests a traditional food through varied menus as well as 'à la carte' dishes.

Either for a business meal or stop lunch, The Restaurant is ideally located in the heart of the Millénaire park near the main roads leading to the city center of Montpellier and the surrounding blades. A 10 minute walk from the Odysseum shopping center where the tramway station is located, which leads directly to the famous Comédie place in less than 20 minutes. A9 motorway (exit Montpellier) and A709 motorway (exit 29).

Close to the exit 31 of the A709 motorway, find also the restaurant of the 3-star Campanile Montpellier Sud hotel.
