In Languedoc, at the heart of the winegrowing region of Saint Chinian, Castigno village is found at the end of a lane that winds through century-old grapevines and Mediterranean scrub. The 24 suites and rooms are spread out in different buildings across the village, offering a variety of spaces with unique ambiances. In the village, you'll find 3 restaurants (La Table, Le Thai, La Petite Table), an out-of-the-ordinary and unconventional wine cellar and wine tourism experiences to live in the vineyard, 3 outdoor heated pools, 2 meeting rooms (wine school and cellar), a wellness area and a fitness room. A varied offer in a place with contrasting atmospheres that can welcome all types of events. Tailor-made stays and days, responsiveness and listening are the strengths of the team that will meet all your requirements and business challenges.
