Surrounded by a magnificent vineyard on the heights of Hérault and at the heart of the wild region of the Aumelas garrigue, the estate is based on a 14th century fortified mas (large farmhouse) - a vestige of the religious wars. Featuring a vaulted room which was an old glass factory (60 seats), an 'honour' courtyard (300 people) and a beautiful garden 'à la française' (250 people), the building has been fully refurbished to high standards. This charming, glamorous and thoroughly authentic site where the past and the present interlace, will make your event, whether cocktails, a wedding, a meeting, an unforgettable event. The 'Chapel' will seat 40 people and the 'Métairie' 170 people.
