Located in the heart of the Hérault valley, near the Devil's bridge and the medieval village of Saint Guilhem Le Désert, Château Capion is both a 45-hectare wine estate, but also a place of relaxation, discovery and open-air activities.

You can enjoy its picnic area, its educational circuit, as well as an exhibition located inside the castle.

The grapes are harvested by hand, the grapes are selected on the stand before being pulled into the cellar which gives the wines a great taste.
