Located between Montpellier and Nîmes, the Château de Vérargues wine estate was acquired by the Coulondre family in 1968.

Its 30 hectares vineyards are adjacent to the appellation of 'Muscat de Lunel' and 'Coteaux de Languedoc'.

The generosity of the Mediterranean climate given to the region provides wines of character and with a very fine aromatic 'finesse'.

Visit of the wine shop located inside the cellar which was built in 1895.
