The Clermontais tourist office offers half-day or full-day programmes on the themes of gastronomy (olives, wine and honey) and patrimony, to established groups (associations, schools, company committees, students, families?).

Discover the national heritage and history of the villages in the Clermontais, and also, the local produce with our wine and olive producers. Made-to-measure programmes are possible.

Tours available:

- Towns and villages of the Clermontais: Clermont l'Hérault (an old sheet-making town), Paulhan (a circular village), Nébian (an ancient commandery)...
- Villages around the Salagou lake: Salasc, Octon, Liausson.
- Around the Salagou lake: discovery of the history of the lake, geology and nature of this man-made lake.
- Mourèze and its cirque: a visit to the village with its 12th century church and a chance to study the landscape with its enigmatic, circular, dolomitic rock formations.

Annual closing :

Closed on Sundays, except in July and August

Location : In the town centre, Causses and valleys

Languages spoken : English - German - Spanish - Italian
