With small houses in the typical Languedocian style, you'll imagine you're staying in a real small village! Set in the heart of a park of 6 hectares and just 800 metres from the beach, among the perfume of eucalyptus and oleander, this is an unspoilt natural environment ? an ideal place to relax. The privileged location of this holiday village, in a quiet area of the Cap d'Agde resort, between Sète and Béziers, plus its 250 seat conference room, make it ideal for your meeting or seminar. Half or full board stays. Entertainment on-site.
