At the heart of Languedoc, the 'Maison du Grand Site de France' welcomes you within the 'Hérault Gorges' classified site, between Aniane and the Pont du Diable. There, you will find the Tourist Office reception, its cultural shop with local crafts and local products.

A space of interpretation will help you discover all the potential of our beautiful region with audio and video documents. The Mas des Agriculteurs proposes the best ingredients of the Hérault Valley gourmet cuisine: olive oil, tapenade, Lucques olives, honey?

Taste also all days remarkable wines of the Valley of the Hérault, the Terraces of the Larzac or the Coteaux du languedoc.

Annual closing :

Closed from November to end of March

Location : In the country, Causses and valleys

Languages spoken : English - Spanish
