40 minutes from Montpellier, in the Hérault gorges and at the foot of the Cévennes, our team of professionals in water activities invites you to travel part of the Hérault river by canoe, kayak or stand up paddle.

We will advise you in the choice of your route (from 7 to 15 km) and will be able to accompany you during your descent to live a great moment of communion with nature and the fabulous landscapes of the Cévennes!

Swimming, picnic and lazing on the banks of the river as a bonus.
