Just in front of the old port of Sète, its boats and its lighthouse, L'Amphore is a family restaurant with a warm welcome that offers traditional home cooking based on local specialities.

Here, Pascal cooks mainly with fresh quality products and fresh fish from the local fishery, which is one of the reasons why this beautiful maritime city is so famous.

Let yourself be tempted by a lunch or a dinner on its covered terrace, which is closed in winter; your group will leave satisfied!
