La Forêt d'Acrobates & Tir Aventure is an outdoor leisure centre in a century-old forest. You'll have access to various activities amongst courses in the trees (from 3 to 99 years old), a play area without a harness (from 2 to 5 years old), a barefoot trail, but also fun activities, such as laser game, paintball, archery...

What's new? An outdoor escape game called "You must save Robin" and a shaded relaxation area with a foodtruck on-site.

Exceptional! Barefoot sensory discovery trail, through four Hérault landscape features: vine and garrigue, forest, coastline and mountains. Each feature gives you a taste of the region (a specially flavoured sweet), a tactile experience (textures to touch), a fragrant experience (scent boxes) according to the landscape. Balance workshops are also part of the tour. Price: 10€ / person, free for children under 4 (reduced price from 4 people).
