Welcome to La Grande-Motte !

Its geographical location is quite outstanding, close to Montpellier and Nîmes and at the gateway to Camargue. In fact, this is the ideal starting point for tours of Roman Gaul, Provence and the hinterland of Languedoc as full-day or half-day excursions.

Our beaches are the finest in Languedoc. Miles of regularly cleaned fine sand. Lifeguards in attendance, on-site amenities. Gently-sloping for the comfort of parents and safety of children.

La Grande Motte is awarded a 'European Blue Flag' every year for the quality of its water on swimming beaches and in the marina. The award is given by the Foundation for Environmental Education in Europe, under the aegis of the Ministry for the Environment.

Location : In the town centre, Montpellier - Petite Camargue

Languages spoken : English - German - Spanish - Italian
