Gastronomic restaurant in the heart of a picturesque village at the foot of the Cévennes, about 45 minutes from Montpellier.

For Jérôme Billod-Morel, cooking is a passion that he likes to share through his creativity: associations of flavours, textures and colours. The show offered by the open kitchen with its vaulted ceiling reflects the idea that cooking is an art.

Here, far from the crowd, the reception, the decoration, the terrace and the garden incite to a real relaxing moment.
