In the benevolent shade of its hundred-year-old pines, the domain of the Lazaret stretches over 3 hectares. An exception of site at the edge of Mediterranean sea where the Languedoc traditions, tourist walks and nautical activities mingle. A direct and private access to the beach, without crossing a road, confere a privileged and safe situation for family or group stays, the discovery classes and sea classes.

On place: 162 rooms from 1 to 4 people, bar with a sea view, elevators to access certain rooms, restaurants, a conference room... ideal for seminars, working shops and training sessions.
