This fully secured complex is dedicated to accommodation for groups and leisure. It is based in the attractive little port of Mèze close to the roads linking Spain with Italy and between sea and wild open land. An exceptional site, it is ideal for a stay combining seafaring activities - sailing, windsurfing, catamaran, learning the ropes at our sailing school - with discovering the traditions and culture of the Bassin de Thau area. Many other activities are available on-site, such as tennis (clay courts) table tennis and martial arts. Mèze itself offers a high standard of sports facilities and equipment, all within easy reach of the Centre Le Taurus.
