Situated at the very heart of the village of Capestang and bordering the Canal du Midi, the Lo Castel gite is a 14th century castle converted into an accommodation centre. It has been refurbished in a rustic style with stonework and exposed beams. The top floor offers a superb panoramic view of Saint Etienne collegiate and the village. Self-catering or a caterer can be hired. An equestrian centre and swimming-pool are around 5 km distance and beaches around 20 km.
