This territory located in northern Hérault between the limestone plateau of the Causse du Larzac, a UNESCO World Heritage Site, and the Languedoc plain, is the ideal place for a colourful adventure. In these preserved regions, you will find two 'Grands Sites': the magical Navacelles Cirque and the Salagou lake.

Groups are welcome to visit our unique venues: Lodève designated a historic town and art center in 2006, its Museum of France and its impressive temporary exhibitions, the unique Savonnerie manufactory where carpets from the Mobilier National are woven, the Causse du Larzac or the most iconic sites in France, such as the Salagou lake or the Cirque de Navacelles.
