Montpellier Wine Tours is a wine tourism agency specialised in excursions to the vineyards of the Languedoc region to discover the products of our land: wines, of course, but also olive oil or oysters from Bouzigues... We organise excursions by minibus for small groups every day from Montpellier and Sète, as well as private tailor-made excursions for individuals and groups. Our tours are accompanied by a local wine expert guide. We also offer various wine tourism activities: treasure hunts, cycling through the vineyards, and so on...
