Naturéo Sport Aventure offers outdoor activities supervised by a state-certified professional in the Montpellier hinterland, as far as the Cévennes. Throughout the year we offer climbing, via-ferrata and hiking-abseiling activities. Water activities like canyoning are open from April to the end of October!

We adapt our courses to all types of public! Our outings are ideal for family, friends for a bachelorette party, for team building or works council.

Newly awarded 'Vignobles & Découvertes' label, Naturéo will also be able to advise you on the various professional activities, restaurants, accommodation, historical, cultural and geological heritage, as well as wine estates. With Naturéo, experience the Hérault region in a sporting way, in a good mood and in a friendly way!
