Par 4 Chemins is an association that offers itinerant and guided hiking or trekking for everyone. We provide 2 to 6-day hiking trips from the high-volcanic plateau of Aubrac to the majestic peaks of the Eastern Pyrénées, through the bright Caroux and Cévennes forests. There is something for all tastes and all levels. The hiking trips go from one accommodation to another (mountain refuge, cottage or hut), with itineraries that combine hiking, initiation to climbing or canoeing and canyoning.

When you travel with us, you participate in financing the hiking trips for those who cannot afford it or who are in a difficult situation. This is possible thanks to several partnerships we have with local social structures. Two-classic hiking trips help finance a solidarity trip for one person.
