An iconic building at the heart of the town of Sète, the three star Paris hotel is decorated in a resolutely artistic style with its 36 rooms suggesting a return to basics through materials and colours (wood, glass, earth, stone ? blue, red, green...). Those who appreciate beautiful things, peace and quiet, magic moments... will feel at home here. And for a moment's relaxation and well-being, allow yourself to be tempted by our beautiful Sereniti Spa. Whether a business meeting, business lunch, seminar, press conference or private event, entrust your project to the Paris hotel team to assure its success.
