The new R-Restaurant opened its doors last July.

In the area of Fréjorgues Est - Pôle Moto, discover the new concept of restaurant and museum spread over 300 m2: custom-designed furniture, atmospheric lighting and a warm setting to share pleasant moments between the bar and the restaurant area.

The bar, open from the morning, will allow you to start the day with a selection of coffees, teas and homemade fruit juices, but also a complete menu of homemade beers, smoothies, and many board suggestions to get together and share an afterwork moment.

On the restaurant side, you will have the choice of a cuisine of fresh products selected to taste seasonal recipes: 'à la carte' or chrono lunch, business meals or group meetings.

At any time of the day, there will always be a good reason to push the door of the R-Restaurant!
