Sète is located on the Mediterranean sea, in the Occitanie region, 30 km from Montpellier and Cap d'Agde. With its venetia-like canals, its Mont St Clair that gives a breathtaking view all the way to the Pyrénées, a fishing harbour in its centre, 12 km of fine sandy beaches, Sète has all it takes to make it a prime destination to discover! What is its secret to attract so many French artists (poets, singers, painters: Georges Brassens, Paul Valéry, Jean Vilar, Hervé di Rosa, Robert Combas)? Come and see for yourself! You won't be disappointed!
