Situated above an oyster farm on the shores of the Thau lagoon and with a panoramic view of the 'Mont Saint Clair' of Sète, the Ferme Marine offers you an eat as much as you can seafood buffet directly from the producer. This includes oysters and mussels (raw and cooked), shrimps, crabs, sea snails, sea salads, fish or fish parilladas - simply cooked 'à la plancha'...a real delight for the taste buds! Be tempted by the diversity and quality of our products and by our friendly team! With luck, you'll assist with the coming and going of our boats and, on request, you can be shown our work going on below you.
